

Painting and Decorating C&G Level 1 Diploma

Study Mode: Full Time Programme Component, Part time | Course Level: 1

Is this course right for me?

Take your first step towards a career as a painter and decorator in the construction industry with this very practical qualification.

This one year programme will provide you with excellent skills and the confidence to carry out safe working practices in painting and decorating. It covers topics related to painting, decorating and general building and will give learners a basic level of understanding of the skills needed to work in the industry.

During the first six weeks of the course you will also get the chance to take part in multi-skills activities and get a taste of bricklaying and carpentry & joinery, as well as health and safety. To be able to continue on the Level 1 course you will need to have good attendance and show a good attitude to learning, as well as complete a health and safety assignment set by tutors.

Construction Diplomas are nationally recognized craft qualifications and are accepted in the construction industry. Craft qualifications are in units, which can be studied in any sequence. These qualifications are required for the Construction Skills Certification Scheme (CSCS).

This is a one year course which can be student full-time or part-time.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE!

Entry Requirements

To access this course you are required to:

- Have three or more GCSEs at grade 2 or above (including Maths and English)*
- Attend an interview with a member of the college's admissions team
- Complete a short online assessment to determine your current skills and knowledge

You will also be expected to commit to good attendance and punctuality and demonstrate a commitment and good attitude to learning and achieving the qualification.

*Adults without the necessary qualifications but with relevant work/life experience will be considered on an individual basis.

What will I learn?

During this course you will study the following modules:

- Health , welfare and safety in construction
- Principles of building

- Erect and dismantle access equipment
- Prepare surfaces for decorating
- Apply paint by brush and roller
- Apply foundation and plain papers
- Produce specialist decorative finishes

What skills will I gain?

By studying this course you will:

- Learn about painting and decorating techniques in practical and theory sessions
- Learn about health and safety on construction sites and how important it is
- Find out about various techniques on both paint and paper application and surface preparation
- Improve your communication skills
- Improve your numeracy and literacy skills to prepare you for a life in construction

How will I be assessed?

Your progress will be continually assessed and you will be provided with detailed feedback in order to help you to develop your skills. Your progress will be evaluated through a combination of practical assessments, job related multiple choice assessments at the end of each unit and external tests that are on-line computer based examinations. To gain the diploma you must be successful in achieving all units and passing the synoptic practical test.

What can I do next?

The skills you will learn from this course will enable you to progress on to the Diploma Level 2 in Painting and Decorating or apply for an apprenticeship in the trade.
