

Adult Care Level 3 Diploma

Study Mode: Part-time | Course Level:

Is this course right for me?

If you are an employer in the adult care sector wanting to upskill existing members of your staff, this course will enable them to develop the skills and knowledge needed to provide frontline care.

The qualification is aimed at adult care workers, support workers, key workers, healthcare support workers and healthcare assistants in a range of settings who already have a Level 2 adult care qualification and want to extend their skills further.

Modules from the programme are taken from the Adult Care Worker apprenticeship standard.

Entry Requirements

Applicants for the course must be employed or volunteering in a relevant role in the adult care sector and have the support of their employer for the duration of the course.

Applicants are also required to have English and maths qualifications at Grade 1 or above.

What will I learn?

The course covers a range of units applicable to the adult care sector:

- Communication in care settings
- Handling information in adult care
- Person-centred practice, choice and independence
- Personal wellbeing
- Equality, diversity, inclusion and human rights in care settings
- Continuous personal and professional development

What can I do next?

Successful completion of the course will enable applicants to progress to a range of roles in the sector, including:

- Lead adult care worker
- Senior care worker
- Lead personal assistant
