

Gym Instructing and Personal Training Level 3 Diploma - CIMSPA endorsed

Study Mode: Full-time | Course Level:

Is this course right for me?

If you want a career as a personal trainer in the sport and active leisure sector, this course will give you the knowledge, understanding and practical skills you need to work in the UK or further afield.

You will combine practical activities with theoretical knowledge and will gain hands-on experience of working with real-life clients as part of the course which will not only enhance your understanding of fitness principles, but also enable you to tailor workout plans to accommodate different needs, provide expert guidance and motivate clients to achieve their fitness goals.

We are working closely with local leisure employers WV Active and Places Leisure to provide not only work experience but also an opportunity for paid employment while studying on the programme.

The units covered on the course are mapped against the Chartered Institute for the Management of Sport and Physical Activity's (CIMSPA's) Professional Standards for gym instructors and personal trainers - meaning that the skills and knowledge you gain will be recognised by the industry.

As part of the course, you will attend lessons to improve your English and maths (or use the time for directed study if you already have Grade 4 or above).

You will also be required to purchase an approved college-branded sports kit which costs approximately £80 - details will be provided on acceptance to the course and financial support may be available to help with these costs.
