

UAL Level 3 Diploma and Extended Diploma in Creative Practice: Art, Design and Communication

Study Mode: Full Time Programme Component | Course Level: 3

Is this course right for me?

Art and Design covers many exciting and innovative areas of the creative industries. This focused and intensive course is for those with a real enthusiasm and creativity and will prepare you for your future as one of the next generation of artists and designers.

You will begin your first year of study on the UAL Level 3 Diploma and Extended Diploma in Creative Practice: Art, Design and Communication and then once successfully completed you will progress to your second year, which is equivalent to three A Levels. This is a practical, work-related course and you will learn by completing projects and assignments that are based on realistic workplace situations, activities and demands. As well as learning about the employment area you have chosen, you develop the skills you need to start your career. The course provides students with the necessary industry-relevant skills, knowledge and understanding to access appropriate entry-level roles, training programmes or apprenticeships in the creative sector, or apply for progression to related higher education courses.

This course will give you experience in different art and design disciplines, including 3D Design, visual studies, textiles, illustration, print making and graphic design. Each term you will work on a number of assignments and exhibit your practical work around the college with an end of year final exhibition in the city centre. You will take part in practical workshops, lectures, debates, gallery visits and independent research. You will learn new skills and develop experience in a number of specialist techniques and approaches from experienced and dedicated tutors together with a range of guest speakers. We will develop your creative potential while improving your understanding of visual communication.

To enable you to put the skills you learn on the course into practice, you will be expected to complete 30 hours of work experience. Students are expected to find their own work placements, however will be provided with support and guidance from teaching staff to find these. We have a small range of WEx opportunities available for over 18s including work experience in Florence Italy through the Turing scheme, and Walsall Art gallery.

Our creative arts courses have been named the best in the country and earned the college a prestigious national award. We have been named Training Provider of the Year at the Creative and Cultural Skills Awards 2019! Our creative arts department is forward thinking, innovative, committed and that's why we have been nationally recognised.

Awarded Arts Mark Gold status by Arts Council England for our excellent courses and links with employers we pride ourselves on producing work-ready students equipped with the skills and knowledge to be a success in the industry.

City of Wolverhampton College is an approved centre for UAL Awarding Body Level 3 Applied General Diploma and Extended Diploma in Art and Design.
