

Nail Technology City & Guilds Level 2 Certificate

Study Mode: Part-time | Course Level: 2

Is this course right for me?

If you're interested in nails and want an exciting career in the beauty industry this course will give you the skills and knowledge you need to become a qualified nail technician and provide nail enhancement treatments to clients.

You will attend college one evening per week, for 3.5 hours, and will learn a broad range of skills including gel nail enhancements, how to promote nail products and services, client care and communication and health and safety in the salon - all the skills you need for a successful career in the industry.

The course will also give you the qualification needed for insurance purposes to perform all types of nail enhancements.

Please note: you will be expected to purchase your own nail kit, costing approximately £150, and college-branded uniform, costing approximately £50 - order forms will be provided before the start of the course and financial support may be available to help with these costs.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE!
